PERSONAL STANDARDS AND BASIC REGULATIONS FOR FAITH RANCH STAFF/VOLUNTEERS

We believe that we have a unique Christian ministry and the following is a unique staff program.

1. We do not hire employees, but rather accept committed Christians who are called to this ministry.
2. Since we operate a Christian ministry, we are seeking committed and growing Christians to serve on the staff. Each staff member is expected to give of themselves in an unselfish Christian manner to serve the guests, assist and encourage one another and thereby gain the greatest accomplishment for the Lord and satisfaction for themselves.
3. We believe there is much more harm than good from the use of tobacco, alcohol and illegal drugs. Scripture teaches that the practice of homosexuality and premarital sex is immoral. Therefore, we only accept persons who, by their own choice, do not use tobacco, alcohol, illegal drugs or practice homosexuality or premarital sex while on duty or in their private lives.
4. This is a ministry experience and not a job. You will be encouraged to gain experience in two or three different areas to increase your own knowledge and skills while serving the guests and each other.
Enthusiasm and flexibility are important!
5. This program is meant to be a challenge and a growing experience for all staff members. **If you are in disagreement with any of these policies, please choose another program.** Our acceptance of you on the staff implies acceptance of the policies by you and any infraction of the policies **will mean permanent dismissal or temporary dismissal for time of restoration.**

I understand and agree to the above policies and regulations.
