→ Benefits of Sponsorship

Committing to sponsor a horse benefits both you and your newfound horse friend.

Your donations offset the costs of care for the horse of your choice and allow us to care for them to the best of our ability.

Sponsors are given the opportunity to connect with a specific horse.

Those participants that sponsor a horse with their child will have the opportunity to teach their child about financial responsibility and the expense of caring for one of God's precious creatures

Disclaimer: Sponsor a Horse is program for people interested in spending time with and supporting their favorite horse. It is not an actual adoption of the animal. Faith Ranch maintains ownership and all rights concerning the use and care of the horse.

Participants will have opportunities to ride their sponsored horse, but they will not receive exclusive usage of their sponsored horse.
