- o Rest Hour Activities: book, paper puzzles, crayons, etc. (No video games please)

¹Please leave 'spaghetti strap' shirts at home.

²Shorts should be as long as fingertips when standing with arms hanging.

³Riding boots are preferred but 'tread-less', heeled non-riding boots will also work.

⁴Evenings are often spent outside

⁵One-piece suits are not mandatory but will prevent campers from being required to wear t-shirt. Campers that bring a two-piece swimsuit will be asked to wear a t-shirt over their swimsuit.

It is not recommended to send new pants or shoes for daily activities.

Please DO NOT Bring

Cell phones, radios, CD or MP3 players, video games, gum, candy, food, knives, matches, lighters, fireworks, firearms, and pets. And of course, tobacco products, alcohol and drugs are never permitted!

Medication

For everyone's safety, all medications (prescription AND OTC) must be turned in to the Camp Nurse during registration. Please ensure that you have sufficient medication for your child's stay. Medications must be in the actual prescription container not a daily pill box. We reserve the right to turn away campers who arrive with communicable illnesses (lice, pink eye, strep throat, etc.)
