

Faith Ranch

Eastern Ohio's Christian Camp, Riding Stable and Retreat Center

Dear Scholarship Applicant,

Thanks to the individuals who participating in our Annual Ride-A-Thon, we are able to offer scholarships to those who are unable to afford the full cost of camp.

Our goal is to be able to bless as many children as possible with a camp experience that otherwise may not be obtainable, without financial help. We know how stressful it can be to raise a family in today's economy, especially if you are a single parent or a single income family. As much as we would love to provide Scholarship to every family in need, we do have limited funds.

The following materials are in place so we can make appropriate decisions about the distribution of the scholarship funds God has provided us with. We ask that you carefully read the guidelines prior to submitting your request. We are asking all applicants to pay the \$100 deposit. If you cannot afford the deposit, please explain so in your statement of need.

As a part of our new scholarship program, we are asking all applicants to submit a copy of their W-2 from the previous year, as well as a reference form. If you attend a church regularly, we ask that you have your pastor send us a reference, explaining your need. If not, you can have a friend/family submit a reference.

Thank you for your request and we look forward to speaking with you soon!

Sincerely,

Faith Ranch Office Staff

Faith Ranch Scholarship Program & Guidelines

We ask that you carefully read through the guidelines below before filling out and submitting your request.

1. We have limited scholarships available. Submission of a request, does not guarantee scholarship approval.
2. We encourage you to try other discounts programs before submitting a scholarship request. Many churches are willing to assist with summer camp scholarships. We also ask that you try to register while we have pre-existing discounts going on.
3. Each applicant will be asked to pay the \$100 deposit fee. With approval of the Director, alternate arrangements can be made if circumstances/funds deem necessary.
4. All applicants will be asked to submit a reliable reference, the request form as well as a copy of last year's W-2 form. If you attend a church regularly, we ask that you use your pastor as your reference.
5. Please note that scholarships will be awarded based on need, sincerity of interest, registration opening and in the order we receive them. As Faith Ranch and individuals are responsible for providing scholarship money, you may be asked to write an appropriate and courteous thank you.
6. To be considered for scholarship funds, a written request must be sent to Faith Ranch explaining the basis for need, as well as other required paperwork mentioned above. Faith Ranch will do their best to offer some form of scholarship to all applicants.

I have carefully read the requirements for the Scholarship program and agree to the terms Faith Ranch has set out.
